Photo: 123RF They say the system, which is supposed to be automated, has resulted in a loss of their pay and that it is now up to them to correct the problem. A group of civil servants say they are owed overtime pay but that they don't know whether their pay has been processed or whether it will be paid. Civil Service Superannuation Board chairman Patrick Morgan said the board was aware of the issue and a specialist team was looking into it. He said the staff's pay had not been processed into the system and it was up to them to enter the information into the a1d647c40b

A new phone: iPhone 5S, SE, 6 and the mid-range 6s Plus If you're after a new phone, you're in the right place. We'll be picking out Apple's newest and latest smartphones over the next few months, so get ready to be amazed. As ever, though, there's so much more to consider than just what the iPhone looks like. To help you get through it all we've put together a quick guide to what to expect from Apple's newest phones. iPhone 5S The iPhone 5S is Apple's most recent update to the standard iPhone line. It's also available with a two-year contract from Three or Vodafone. It's the same iPhone as the iPhone 5, but with a few design tweaks and upgrades. It's the first iPhone to be made of plastic, with curved edges and glass instead of an aluminium back. It also has a fingerprint scanner. iPhone 5S in black iPhone 5S in white iPhone SE The iPhone SE is Apple's smallest phone to date. It's only available with a contract from Three or Vodafone, and doesn't come with the latest iOS 8 update. But it's got a speedy processor and a 3.5-inch screen, making it a great option for smaller hands. iPhone SE in silver iPhone SE in black iPhone 6 The iPhone 6 is the first model of iPhone not to come with a camera in the front. Instead, it has a large, curved screen that's similar to the iPhone 5S. It also has a high-res screen, a fingerprint scanner and a very similar design to the iPhone 5 and 5S. iPhone 6 in white iPhone 6 in silver iPhone 6 Plus The iPhone 6 Plus isn't as popular as its smaller brother. But it's a bigger phone with a 5.5-inch screen, so it's a bit more practical. It has a fingerprint scanner, and a battery that lasts all day. It also has a heart rate monitor on the rear
